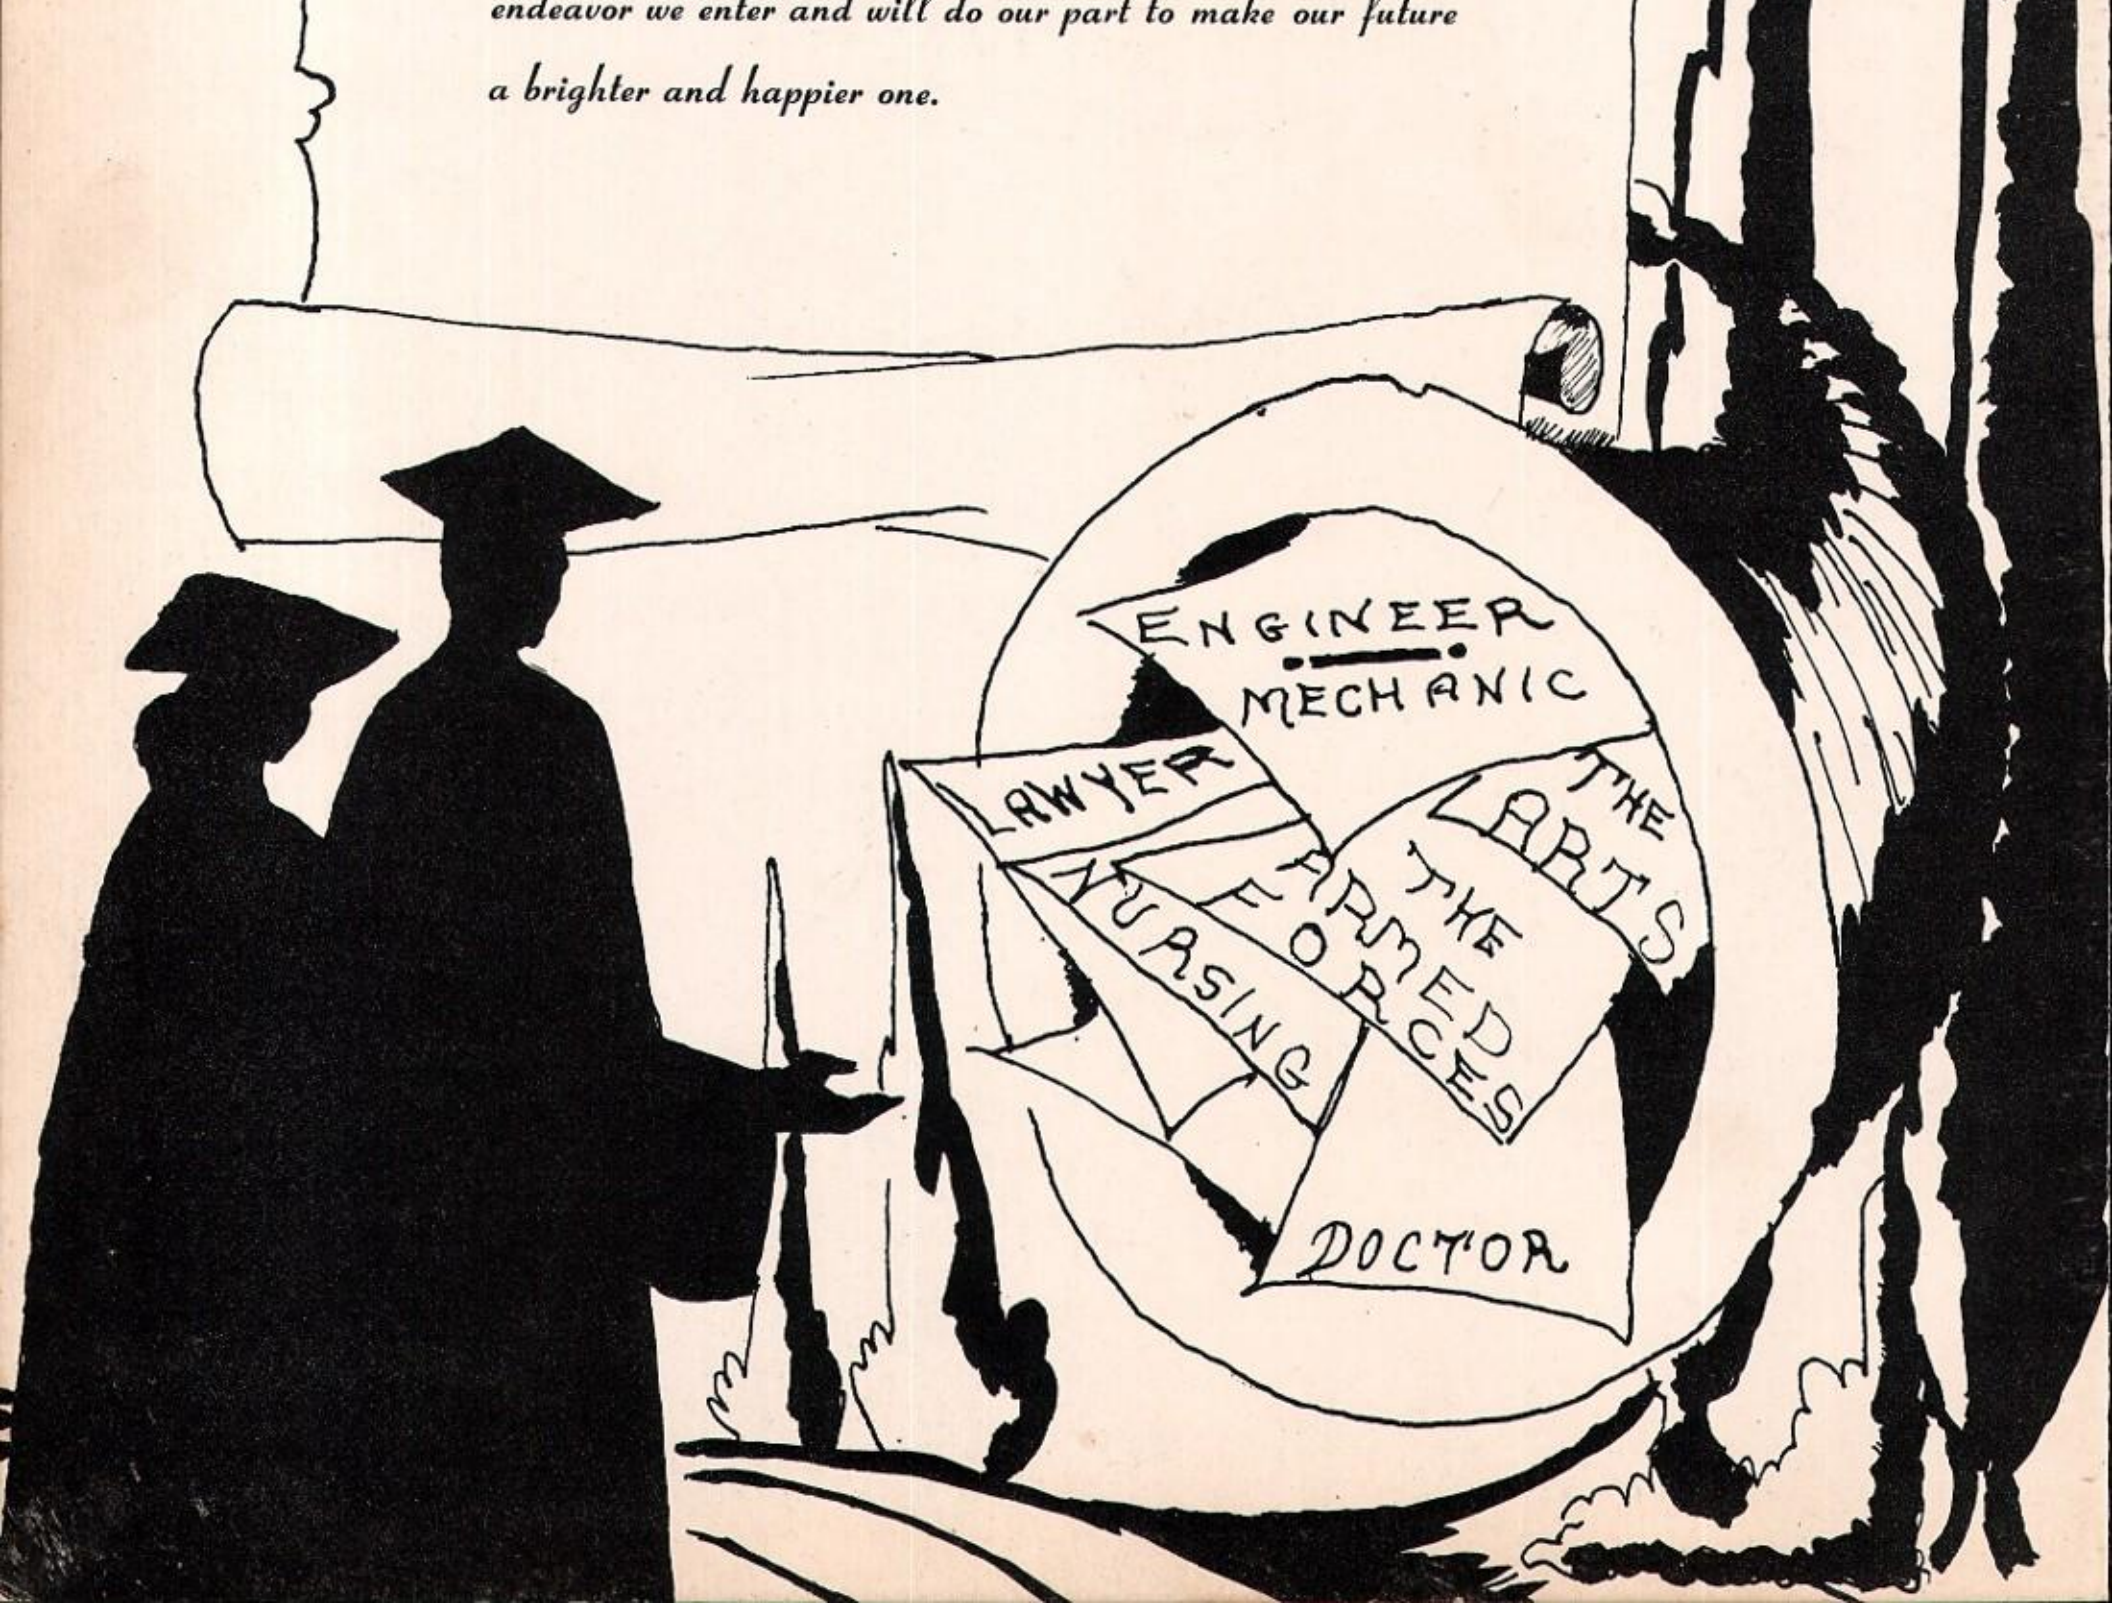
Theme

We the class of '52 have chosen "Our Tomorrow" as our theme. We feel that it has been our aim for twelve years of study to prepare ourselves to make our tomorrow a better place in which to live.

As you look through these pages, you will see us in many different phases of school life. We will hold these memories with us whether it be in the army, college or any endeavor we enter and will do our part to make our future a brighter and happier one.



Raymond Townsend

Dedication

Dear Mr. Townsend,

We, the seniors of 1952, proudly dedicate this, our yearbook, to you. We still remember all the help and guidance you gave us in times when we needed it the most. We want to thank you for the 32 years of faithful service you gave to all the many students who have already graduated from Irvington High School.

As a final word — we want to express our best wishes and hope you will be very happy in your new position.

Sincerely yours,

Class History

To review our happy, hectic days in Irvington High School, we must go back to that first bright September day in 1948. We entered school with many mixed emotions; some found it difficult to forget the pleasures of summer; some dreaded to face unfamiliar teachers; and some few thrilled with this great new experience of high school life.

The most memorable highlight of our Freshman Year was Initiation Day. Dressed in outlandish clothing and smeared with lipstick, we paraded the halls at the mercy of the Seniors. The one consolation we had was the fact that someday we, too, would be in the driver's seat.

Our Sophomore Year found us so busy in the classrooms that we had to sacrifice our social life. We did, however, make one unforgettable expedition to New York to see, "Gentlemen Prefer Blondes."

Our Junior Year was a lively one. We had another escapade through the jungle of New York to see "Cyrano de Bergerac." Our first attempt at dramatics was made a success through our production of "A Little Honey," under the direction of "Doc" De Sormo. The Juniors established a new tradition by honoring the Seniors with a dinner and dancing at Bill Reiber's instead of the usual annual Junior Prom. We also changed the crest on the class rings.

September brought the opening of school and the Seniors became the proud possessors of their flashy new rings. Our year opened with our chance to run the big show (Freshman Initiation). We displayed no mercy for those poor little underclassmen and gave it to them but good. One of the most pleasant highlights this year was our trip to Candlewood. We spent an unforgettable Sunday —thanks to Mr. and Mrs. Smith, who gave us the use of their cabin and boats. The Senior Play, "The Whole Town's Talking," under the direction of "Doc" De Sormo, was a great success. Even though things looked pretty bad during rehearsal period, the cast really turned in an outstanding performance. The class put on another profitable fund-raising campaign adding a large sum to the treasury by selling Christmas cards. Another big event of the year came when the class produced the amateur show, under the direction of Mr. Wormley.

And now it's June and plans for graduation and "Our Tomorrow" are well in sight. We are all glad and yet a little sad that our high school life has come to an end.

Choir

Every Monday and Thursday afternoon, whether you want to or not, you can hear pleasant sounds coming from the music room. The Choir under the direction of Miss Whittaker has done fine singing in all its performances.

They have sung at Christmas time and at the Spring Concert. Many times they have performed for the P. T. A. and in assemblies. The Choir had several representatives singing in the All State Concert this year.

With everyone doing his best, under the capable hands of Miss Whittaker, the Class of '52 predicts it will continue to have many years of fine singing for Irvington High School.

Student Council

In this, its fourth year in existance, the Student Council ventures into "new fields to conquer". It is planning to help the school as a whole in every way possible. In the social field, it sponsors square dances, its annual Student Council Assembly, busses to basketball games and a bi-annual photography project.

This year the Student Council also sponsored a March of Dimes Campaign and helped restock the kitchen at Dobbs Ferry Hospital.

These are some of the activities which the Council plans and carries out in its effort to serve its school.

FIRST ROW—Judy Carlson, Janice Cole—Secretary, Constance Whipple—President, Miss Crawford—Adviser, Evelyn Evatt, John Waggoner—Treasurer.
SECOND ROW—Robert McCabe, Peter Schneck, Alfred Medovich, Thomas Murphy, John Price. Camera Shy—Beverly Wormley, Howard McCabe, June Rudick, Elizabeth Furst.

National Honor Society

Character, scholarship, leadership, and service are the principles of both the Junior and Senior National Honor Societies. They aim to promote these throughout the school with members secretly chosen by the faculty from ten per cent of the Senior and Sophomore classes. Induction in the spring is an impressive ceremony followed by a tea attended by parents and visiting Societies, the latter on a reciprocal basis.

Providing a prize for Seventh and Eighth grade students, a Junior National Honor Society and tutoring those who need it add an incentive for scholarship and helps achieve better marks. A school calendar, listing all important information and coming events in the school year, is another service of the Society.

The future is in our hands and greater knowledge means greater understanding of the world about us. Attainment of this knowledge is greatly helped by the work of this organization.

Hockey 1951

CAPTAINS:
Barbara, Connie, and Miss Stubbe.

Judging by this year's turnout for Hockey, the enthusiasm for the sport has become greater than ever. Over fifty girls were ready to clash sticks and thrill to the excitement of fighting for their team. This year, Barbara Brennen's team battled it out against Connie Whipple's equally strong competitor.

Our honor team was just too good for the W. I. girls, as they defeated their opponents in an exciting contest, four to one.

The two teams ended up in a tie, each winning an equal number of games, four each. You can be sure there were a great many bruised shins and swollen fingers after the games were completed.

Although the competition from the boys' football practice was very strong, Miss Stubbe, Mrs. Furst and the girls had another enjoyable season.

Basketball

Every Tuesday and Thursday afternoon, fifty enthusiastic girls hurried to the gym to compete in the girls intra-mural program, arranged by Miss Stubbe. This year there were seven equally-matched teams in the league. The games were hard fought and usually victory was not decided until the final whistle.

At the end of the season, Laura Rudick's and Barbara Brennen's teams were tie for first place. An exciting play-off game was held with Laura's in first place and Barbara's sextet tied for the runner-up spot with Doris Magee's fighting team, but again Barbara's team was defeated in an exciting, close contest. The remainder of the teams completed the season in the following order: fourth, Dottie Lipsky's; fifth, Ann McDowell's; sixth, Connie Whipple's; and seventh, Pat Martin's.

The following players were picked on an honor team which played other neighboring schools: Laura Rudick, Barbara Brennen, Doris Magee, Dottie Lipsky, Betty Ann Brennen, Margaret Brown, Janice Cole, Nancy Records, Beverly Wormley, March Puciato, Nancy Penman.

Junior Varsity Basketball

The Bulldog Jayvee's under the able coaching of Mr. Dickovics again went through another successful season. Led by Capt. Louie DiGiorgio and high scoring Dick Tewey the Jayvee's swept through all competition lowering only to Croton and Washington Irving in two very close contests.

The Bulldog Pups again regained the mythical league title after relinquishing it to Hendrick Hudson last year.

Prospects for next year's varsity look very good with such promising ballplayers as Dick Fariel, George Hibbard and Sonny Astuto. Also outstanding were Tommy Burke and Dave Smith.

*League games

The 1951-52 edition of the Varsity wound up its regular season play with a .500 mark. The team's potential, great as it was, failed to materialize, but an 8 won—8 lost record and third place (6 wins—4 losses) in the Western Westchester league fails to show that by splitting games with Hendrick Hudson and losing to Croton by 2 points and 3 points respectively, the close margin by which the league was lost to Croton and second place Hendrick Hudson.

Led this year by high scorer, Captain "Joey" DiChiara, the other standouts were the tall men: "Jiggs" Cady and John Waggoner, and the playmakers "Nicky" Gulli, "Dick" Nemeth and "Hook" Thornton. The capable and very necessary reserves were "Howie" McCabe, "Bobby" Brown, "Phil" Shaw and "Al" Medovich.

DiChiara and Waggoner received additional honors when they were chosen to play on the League All-Star team.

As the defending champions of Section I, Class D, Basketball tournament they showed in their games enough ability to be again honored with an invitation to the tournament.

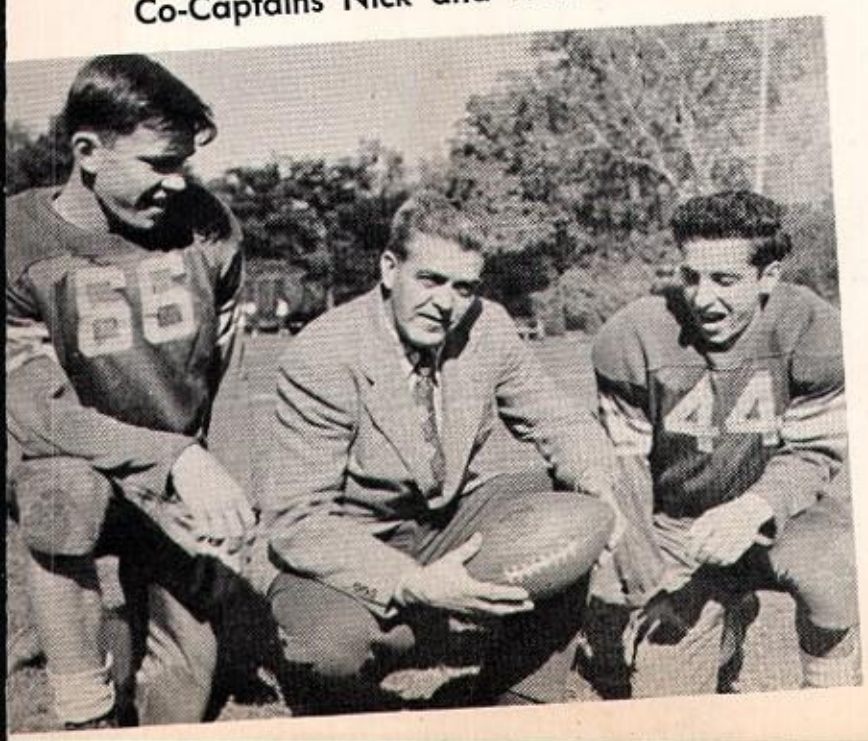
Football 1951

Coach Bjornstad
Co-Captains Nick and Howie.



The law of averages finally caught up with the Green and White football teams. For many years I.H.S. squads have dominated the Western Westchester League and have also consistently rated an enviably high position in County Class C circles. Therefore, it was only natural to expect a lean year after so many prosperous ones.

Since graduation had practically wiped out last year's great team, Coach Bjornstad was faced with the job of starting from scratch. A shortage of fast and durable backs developed during the early part of a rugged schedule, so that the Bulldogs did not have a powerful offense against teams that were at their peak this season.

The team showed up well in all the games but looked particularly good against their old rival, Dobbs Ferry, whom they defeated by a score of 13-0. That in itself made the season a successful one.

The outstanding players were Co-Captains Howie McCabe and Nick Gulli. Others who played good ball were Hook Thornton, Don Costello, Louie DiGiorgio, Jerry Buckhout, George Hibbard, Dickie Fariel, Bobby Brown, Dick Nemeth, Charlie Phenix, and Jiggs Cady, who was injured early in the season, but returned to duty and in the later games was a great punter.

With a year of experience behind them, next year's team should fare better.

Track 1951

Even though the Green and White track squad did not fare very well during the early meets of an ambitious schedule, they wound up the season in a blaze of glory by nosing out a powerful Chappaqua team in the Class C Section 1 championship at Poughkeepsie.

Lacking strength in the sprint events and the pole vault, the team gained experience while being snowed under in dual meet competition against Hackley, Chappaqua, W. I. and Hastings. The only victory was over Croton. In the W. W. League Meet, Hendrick Hudson captured the top honors which Irvington had practically monopolized for the past three years.

The other highlight of the season was the amazing showing of two I.H.S. relay teams at the Schenectady Sports Carnival. There the two-mile outfit (Phil Shaw, Don King, Joey Di Chiara, and Pete Nolan) placed second in a blanket finish against strong competition from much bigger schools; the shuttle hurdles combination (Cha Cha Pateman, Johnny Veletto, Bob Thornton, and Jimmy Gaffney) won the third place belt buckle.

Outstanding performances were also turned in during the season by George Robertson, ace shot-putter, Pete Robertson in the discus, and Nicky Gulli in the broad jump.

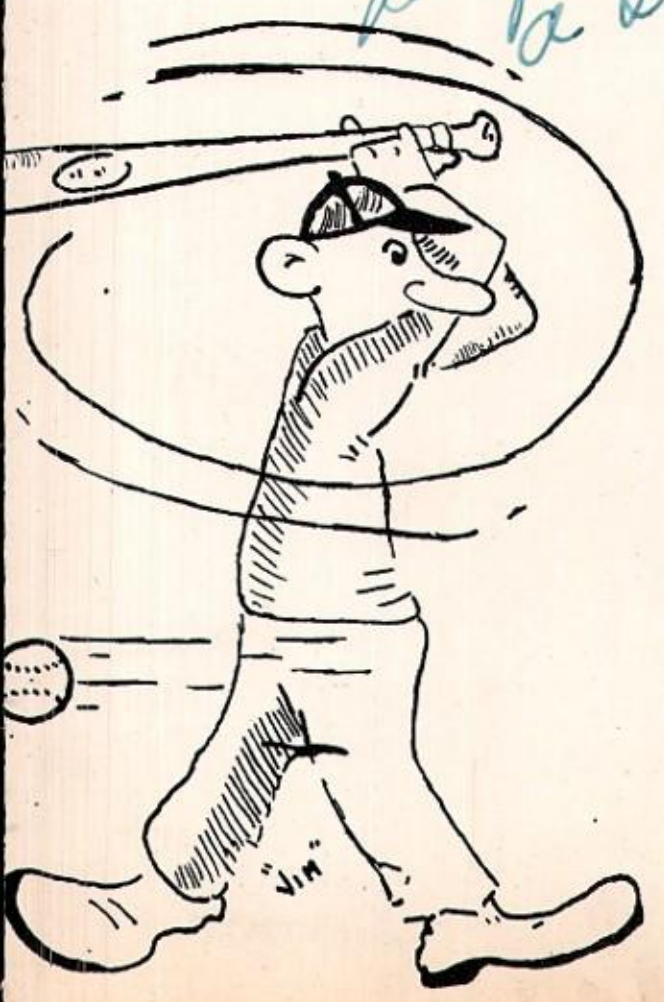
Baseball 1951



Hampered by lack of experience and scarcity of pitching and hitting strength, the Green and White baseball squad didn't fare too well during the 1951 season. George Kraus, captain and shortstop, broke his ankle before he had a chance to play and therefore was lost to the team.for the entire season.

Two outstanding players were Nicky Gulli and Basil Nikitopoulos; the keystone combination of the team. Excellent pitching was turned in by Phil Shaw, who chalked up shut-out victories over N.Y.S.D. and Elmsford.

Since the squad lost only four seniors, the prospect for next spring looks rosier.

FAREWELL

Time flies—Now another senior class departs from the work and good times at Irvington High School to prepare itself a place in the world.

Our sincerest thanks are expressed to the administration and faculty for our bountiful days here; special gratitude to Mrs. Bracken, Mr. DeSormo and Mr. Wormley for excellent advice and assistance with this book.

Uncertain as it is now, we know the future will be filled with many hardships and problems—We are aware of the grim world situation and are ready for what may come. The many indelible, pleasant memories we retain will be a comfort and help as we work for a better tomorrow.
